Leader of the Opposition V.D. Satheesan on Monday termed claims made by the Pinarayi Vijayan-led Left Democratic Front (LDF) government in its 'Progress Report' as baseless and misleading.

Mr. Satheesan said that the original 328-page report has now come down to 24 pages. The LDF government took 10 years to construct 5 lakh houses for the poor. The promise that 5 lakh houses would be constructed in five years was originally made by the LDF in 2016. The previous UDF government led by Oommen Chandy had constructed 4.43 lakh houses in five years and started construction on 50,000 additional ones, he said.
